

§ 17.106

(b) *Of claims against third persons and other claims.* If the debt is of a type contemplated in §17.103(b), the waiver question should be referred in accordance with the same referral procedures for compromise offers in such categories of claims, or

(c) *Of charges for copayments.* If the debt represents charges for outpatient medical care, inpatient hospital care, medication or extended care services copayments made under §§17.108, 17.110 or 17.111 of this chapter, the claimant must request a waiver by submitting VA Form 5655 (Financial Status Report) to a Fiscal Officer at a VA medical facility where all or part of the debt was incurred. The claimant must submit this form within the time period provided in §1.963(b) of this chapter and may request a hearing under §1.966(a) of this chapter. The Fiscal Officer may extend the time period for submitting a claim if the Chairperson of the Committee on Waivers and Compromises could do so under §1.963(b) of this chapter. The Fiscal Officer will apply the standard "equity and good conscience" in accordance with §§1.965 and 1.966(a) of this chapter, and may waive all or part of the claimant's debts. A decision by the Fiscal Officer under this provision is final (except that the decision may be reversed or modified based on new and material evidence, fraud, a change in law or interpretation of law, or clear and unmistakable error shown by the evidence in the file at the time of the prior decision as provided in §1.969 of this chapter) and may be appealed in accordance with 38 CFR parts 19 and 20.

(d) *Other debts.* If the debt represents any claim or charges other than those contemplated in paragraphs (a) and (b) of this section, and is a debt for which waiver has been specifically provided for by law or under the terms of a contract, initial action shall be taken at the station level for referral of the request for waiver through channels for action by the appropriate designated official. If, however, the question of waiver may also involve a concurrent opportunity to negotiate a compromise settlement, the application shall be referred to the Committee on Waivers and Compromises.

§ 17.106 Authority for disciplinary action.

The good conduct of beneficiaries receiving hospitalization for observation and examination or for treatment, or receiving domiciliary or nursing home care in facilities under direct and exclusive jurisdiction of the Department of Veterans Affairs, will be maintained by corrective and disciplinary procedure formulated by the Department of Veterans Affairs. Such corrective and disciplinary measures, to be selectively applied in keeping with the comparative gravity of the particular offense, will consist, in respect to hospital patients, of such penalties as the withholding for a determined period of pass privileges, exclusion from entertainments, or disciplinary discharge; and, in respect to domiciled members, such penalties as confinement to sections or grounds, deprivation of privileges, enforced furlough, or disciplinary discharge. Also, for any violation of the Department of Veterans Affairs rules set forth in §1.218, or other Federal laws on Department of Veterans Affairs property, a beneficiary is subject to the penalty prescribed for the offense.
